### Seven important things you should know about healing<sup>1</sup>

**The first thing to know about healing is that it is the will of Yahuah.**

It is in His plan of redemption. Why isn't everybody healed? The same reason not everyone is saved. He would like all to be saved (John 3:16), but some don't believe it or receive it. But no one doubts that it is His will to save everyone that believes. So no one would pray "If is Your will please save this person." The promises of healing are likewise for everyone that believes that they will receive it.

People are not healed because they have not heard the promises or don't have enough faith to believe it will happen to them. When people are prayed for, they assume they didn't get healed if it doesn't happen right away. They don't have faith in the prayer to remain patient for the healing.

**Isaiah 53:4-5** "Surely He has borne our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by Elohim, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed."

**Matthew 8:16-17** "And He cast out the spirits with a word, and healed all who were sick, that it might be fulfilled which was spoken by Isaiah the prophet, saying: "He Himself took our infirmities and bore our sicknesses."

**1 Peter 2:24** "who Himself bore our sins in His own body on the tree, that we, having died to sins, might live for righteousness—by whose stripes you were healed."

**Secondly, sickness comes from Satan, not from Yahuah.**

**Acts 10:38** "how Yahuah anointed Yahusha of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for Yahuah was with Him."

The Bible calls sickness Satanic oppression. Satan is the oppressor, but Yahusha is the deliverer and the healer. Sickness is bondage.

**Luke 13:16** "So ought not this woman, being a daughter of Abraham, whom Satan has bound—think of it—for eighteen years, be loosed from this bond on the Sabbath?"

**John 10:10** "The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly."

**Thirdly, God dealt with sickness in the New Testament as well as the Old.**

1 Kenneth Hagin, Healing is Yours, 2002, <https://www.youtube.com/watch?v=B-5G4D-CddQ>

Everyone believed that healing was in the old covenant and now there is a better covenant.

**Isaiah 53:4-5** “Surely He has borne our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by Elohim, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed.”

**Exodus 23:25** “So you shall serve the Yahuah your Elohim, and He will bless your bread and your water. And I will take sickness away from the midst of you.

**Deuteronomy 7:15** “And Yahuah will take away from you all sickness, and will afflict you with none of the terrible diseases of Egypt which you have known, but will lay them on all those who hate you.

#### **Fourthly, there is more than one way of receiving healing.**

Yahuah provided seven different methods whereby folks may receive healing in the New Testament.

The first method is demanding healing in the name of Yahusha

**John 14:13-14** “ And whatever you ask in My name, that I will do, that the Father may be glorified in the Son. If you ask anything in My name, I will do it.

**Acts 3:6-8** “Then Peter said, “Silver and gold I do not have, but what I do have I give you: In the name of Yahusha the Messiah of Nazareth, rise up and walk.” And he took him by the right hand and lifted him up, and immediately his feet and ankle bones received strength. So he, leaping up, stood and walked and entered the temple with them—walking, leaping, and praising God.”

This is not prayer. This is asking or demanding things in His name. The Greek word translated ask is also translated demand. This not demanding it from Yahuah. It is demanding things with the authority of Yahusha’s name like Peter and John did in Acts 3. He demanded in Yahusha’s name that he rise up and walk. They are demanding the body or Satan to obey, who is the author of sickness and disease.

The second method is prayer.

**John 16:23-24** “And in that day you will ask Me nothing. Most assuredly, I say to you, whatever you ask the Father in My name He will give you. Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full.”

This is prayer.

**James 5:16** “Confess your faults one to another and pray one for another that you may be healed. For the effectual fervent prayer of a righteous man availeth much”

He is writing to believers. Would He ask you to pray for something that wasn’t His will? It must be His will or He would not tell them to pray for healing.

**James 5:14-16** “Is anyone among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of Yahuah. And the prayer of faith will heal the sick, and Yahuah will raise him up. And if he has committed sins, he will be forgiven. Confess your trespasses to one another, and pray for one another, that you may be healed.”

Notice that it is the prayer of faith that heals the sick. So in order to obtain healing, one has to have enough faith. Notice also that anyone can pray for the sick. It does not require elders.

One pastor said the prayer of faith healed all the sick in his church for 37 years. No one but the elderly died. Everyone was healed within three days. His people would pray for one another.

The third method is the laying on of hands.

**Mark 16:17-18** “These signs shall follow those who believe ... they will lay hands on the sick, and they will recover.”

Anyone can lay hands on people for healing if they believe and have enough faith. Laying on of hands for healing belongs to every believer.

### **Fifth, the gift of healing initiated by Yahuah on His own**

**1 Corinthians 12:7-11** But the manifestation of the Spirit is given to each one for the profit of all: ... to another gifts of healings by the same Spirit, ... distributing to each one individually as He wills.”

You can issue your own healing by believing Yahuah. But Yahuah initiates healings on his own. He will heal one person in a crowd of sick people. It is claimed that He does that for people that have had many people praying and much prayer for them.

The fourth method is contact and transmission

**Matthew 9:20-22** And suddenly, a woman who had a flow of blood for twelve years came from behind and touched the hem of His garment. For she said to herself, “If only I may touch His garment, I shall be made well.” But Yahusha turned around, and when He saw her He said, “Be of good cheer, daughter; your faith has made you well.” (Mark 5:25-34)

The woman initiated the healing on her own, by saying “If I but touch His clothes.” The anointing is tangible and even embedded in the clothing. It can also be felt by both the patient and the healer as heat. Yahusha felt the anointing flow out of him.

**John 5:5-9** “Now a certain man was there who had an infirmity thirty-eight years. ... Yahusha said to him, “Rise, take up your bed and walk.” And immediately the man was made well, took up his bed, and walked.

This was a manifestation of a gift of healing initiated by Yahusha alone. The man didn't believe anything. There were many sick people at the pool of Bethesda, but Yahusha only healed one of them.

The spirit came upon Kenneth Hagin and told him there was a man with hernias in the crowd outside the church. He told the man to please come forward. The man was a senator. Kenneth cursed the hernias in the name of Yahusha and they disappeared. He got born again, and later became the pastor of a church. The healing wasn't Kenneth's faith or the man's faith. It was a healing initiated by Yahuah. Apparently Yahuah knew the man would become a good servant for the kingdom.

At a camp meeting, the Holy Spirit came upon him and he pointed to a man. He said, "The Lord shows me that you are a sinner. The Lord shows me that you have a double hernia. Come forward and I will lay hands on you and they will disappear instantly. The man's wife's pastor said he was the meanest man in town. They disappeared instantly. Yahuah initiated that on His own. That night he came back, got saved and filled with the Holy Spirit and became the most successful evangelist in town.

In Philadelphia there were four ladies sitting in wheel chairs. Suddenly the anointing came upon him. He pointed to one of them. "I am going to point to you again and the Holy Spirit will come upon you and heal you. Get up and walk out of that chair." She said she couldn't believe it. She has been in that chair for three years with rheumatoid arthritis. She also had emphysema, and was healed of both. It wasn't her faith or Kenneth's faith, or He would have healed the other three women. It was a manifestation of the gift of the Holy Spirit.

**Luke 4:18-19** "The Spirit of Yahuah is upon Me, because He has anointed Me to preach the gospel to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives and recovery of sight to the blind, to set at liberty those who are oppressed; to proclaim the acceptable year of Yahuah."

**Luke 4:25-27** " But I tell you truly, many widows were in Israel in the days of Elijah, when the heaven was shut up three years and six months, and there was a great famine throughout all the land; but to none of them was Elijah sent except to Zarephath, in the region of Sidon, to a woman who was a widow. And many lepers were in Israel in the time of Elisha the prophet, and none of them was cleansed except Naaman the Syrian."

These were spiritual gifts according to the will of the Holy Spirit, without being asked.

**Mark 6:4-6** "But Yahusha said to them, "A prophet is not without honor except in his own country, among his own relatives, and in his own house." Now He could do no mighty work there, except that He laid His hands on a few sick people and healed them. And He marveled because of their unbelief.

He never did miracles there due to their lack of faith. Elijah was not sent to all the widows. It had to be according to the anointing. A manifestation of the spiritual gift.

One time a lame boy was brought forward for healing. But he was healed in a cloud of glory before he prayed, so that Kenneth didn't even know what happened.

### **Why aren't there more manifestations (gifts) of the Spirit?**

The Spirit manifests Himself nine ways in 1 Corinthians 12. In some churches seven manifestations would happen in one meeting. In other churches there were none at all. Even when praying and fasting twice as much.

Yahuah said to Kenneth Hagin, “The Apostle Paul did not write a letter to John Smith at the church at Corinth. He wrote a letter to the whole church. He’s telling the whole church to desire these things. The reason they don’t have them, is because they don’t desire them.” The Holy Spirit is a perfect gentleman. If you don’t want Him, He will leave you alone.

Another reason is that they don’t even know about them. Yahuah said “When they do desire them I will manifest myself.” That is why we need preaching and teaching to desire spiritual gifts. So know the difference between Yahuah and man initiating healing. You need to desire spiritual gifts

### **Sixth, is that physical healing takes time.**

Spiritual healing occurs instantly when the prayer is concluded. But it takes time for it to appear in the flesh. One must have faith in the promise and the prayer for the healing to be completed. A medical doctor prescribes medicine or performs surgery and says that the problem is resolved. He will say that the healing will take a certain amount of time. Faith in the doctor will bring joy and patience that one is healed. So the patient will expect complete healing over time even when the pain is worse. Likewise, faith in the promises of the scriptures will expect healing over time. It takes faith to believe that healing will appear in the flesh in order to complete it.

Even many that Yahusha healed did not appear in the flesh immediately. It took faith for the lepers or the blind to go and do what He said before they received healing in the flesh. So one must believe that they have received what they asked for when when they prayed. They must praise and thank Yahuah with joy until the healing is manifest in the flesh even if it takes an hour, a month or a year. Continually saying that you are healed, causes faith to increase.

**Mark 11:23,24** “Have faith in Yahuah. For assuredly I say to you, whoever says to this mountain, ‘Be removed and be cast into the sea, and does not doubt in his heart, but believes that those things he says will be done, he will have what ever he says. Therefore ... whatever things you ask when you pray, believe that you receive them and you will have them.”

**John 4:49-51** “The nobleman said to Him, “Sir, come down before my child dies!” Yahusha said to him, “Go your way; your son lives.” So the man believed the word that Yahusha spoke to him, and he went his way. And as he was now going down, his servants met him and told him, saying, “Your son lives!”

**Luke 17:12-18** “ there met Him ten men who were lepers, who stood afar off. And they lifted up their voices and said, “Yahusha, Master, have mercy on us!” So when He saw them, He said to them, “Go, show yourselves to the priests.” And so it was that as they went, they were cleansed. ... He said to him, “Arise, go your way. Your faith has made you well.”

If the lepers did not go to the priest, they would not have been healed.

**John 9:6-7** “When He had said these things, He spat on the ground and made clay with the saliva; and He anointed the eyes of the blind man with the clay. And He said to him, “Go, wash in the pool of Siloam.” So he went and washed, and came back seeing.”

When did the healing begin? If he went to the wrong pool, or did not wash, it would not have been consummated in the flesh. Healing begins when hands are laid on and the prayer is concluded.

**2 Kings 5:9-14** “Then Naaman went with his horses and chariot, and he stood at the door of Elisha’s house. And Elisha sent a messenger to him, saying, “Go and wash in the Jordan seven times, and your flesh shall be restored to you, and you shall be clean.” But Naaman became furious, and went away and said, “Indeed, I said to myself, ‘He will surely come out to me, and stand and call on the name of Yahuah his Elohim, and wave his hand over the place, and heal the leprosy.’ Are not the Abanah and the Pharpar, the rivers of Damascus, better than all the waters of Israel? Could I not wash in them and be clean?”

“So he turned and went away in a rage. And his servants came near and spoke to him, and said, “My father, if the prophet had told you to do something great, would you not have done it? How much more then, when he says to you, ‘Wash, and be clean’?” So he went down and dipped seven times in the Jordan, according to the saying of the man of Elohim; and his flesh was restored like the flesh of a little child, and he was clean.”

Kenneth’s mother-in-law had a double goiter. He had spoken to her about healing, but she didn’t believe in it. She was packed to go to the hospital for an operation. Yahuah told him “Go get some oil and anoint your mother-in-law and I will heal her.” When he did, the goiter shrunk to the size of a quarter. Yahuah then said “Tell her to go to the alter on Wednesday night and I will fill her with the Holy Spirit and complete her healing.” When she went, she was immediately healed. What would have happened if she hadn’t gone?

### **Seventh, Healing is spiritual**

Yahuah’s method is spiritual and can be lost. Healing is not mental. It is not physical. When Yahuah heals, He heals through the human spirit. Sometimes when people are prayed for, it doesn’t show on the outside. If they have faith in the word they will believe that they received what they asked for when they prayed. They should continually praise Yahuah and thank him for what He promised. Eventually, it will show up in the physical. When doctors heal, he must do it through the mind, the physical senses, or through the physical body. But man is also a spirit being.

When Yahusha comes on the scene for healing, He requires faith. He declares “your faith has made you whole. Go your way and as you have believed it shall be done to you.” He said “I have found no great faith, no not in Israel. Go your way, your servant is healed.”

The curse of the covenant brought the disease, but the word of Yahuah delivers. Man gets his healing by acting upon the word. That action is called faith.

**Matthew 8:8-13** “The centurion answered and said, “Lord, I am not worthy that You should come under my roof. But only speak a word, and my servant will be healed. ... When Yahusha heard it, He

marveled, and said to those who followed, “Assuredly, I say to you, I have not found such great faith, not even in Israel! ... Then Yahusha said to the centurion, “Go your way; and as you have believed, so let it be done for you.” And his servant was healed that same hour.

**Psalm 107:19-20** “Then they cried out to Yahuah in their trouble, and He saved them out of their distresses. He sent His word and healed them, and delivered them from their destruction.”

**Mark 15:17-18** “And these signs will follow those who believe: In My name ... they will lay hands on the sick, and they will recover.”

When hands are laid on, that is the point of contact when one releases their faith. When Kenneth was a young man, his face became paralyzed. “When I was prayed for the pastor said, ‘amen.’ I said immediately ‘Praise God it is gone!’ Even though it was still there. Later, people could see that the healing had not manifest yet.” They said “Did the pastor heal you when He anointed you with oil.” and I said, “He sure did.” “Do you feel healed?” and I said “I don’t feel I am healed, I know I am!” “What makes you say that?”, “The word of God.” The next morning he was healed in the physical. If you go by what you see, it is not faith. Faith is believing what the word says. When hands are laid on, that is the point that one releases their faith and believes that they have received their healing.

### **The anointing is tangible**

One can also lay hands on the sick by the law of contact and transmission. When someone is anointed by the Holy Spirit, healing is transmitted by contact. The anointed person’s hands feel hot. One can send the anointing to someone but they can’t make them receive it. Sometimes one can feel that the anointing is not being received. When the person receives it they can also feel the heat.

The anointing is a tangible substance. That is one of the secrets of divine healing. It is transmittable. When that woman with the issue of blood touched Yahusha’s clothes, He knew immediately it had gone out of Him. The anointing of the Holy Spirit emanating from the Apostle Paul was stored on handkerchiefs. Tangibility is one of the secrets of healing. It means it is perceptible to the touch.

A woman pastor went to every healing line for 10 years, and never received healing, because she said, “I’m not going to believe I am healed unless I can feel it with my physical senses.” She didn’t have faith in the word or the prayer. If it can be seen or felt, it is not faith.

### **The Thorn in the Flesh**

Many believers claim that the Apostle Paul had a physical infirmity, a thorn in the flesh, that was not healed when he prayed. But the scripture defines a thorn in the flesh as pagan nations that will trouble the Israelites. Paul defines it as a messenger of Satan to buffet him. He was persecuted wherever he went to preach the gospel. Yahuah told him that he could take authority over the demonic forces troubling him with the grace and power of the Holy Spirit. Paul did that many times. Paul himself did not have power over the demons, but the Holy Spirit with the authority of the name of Yahusha, overcomes that weakness.

**2 Corinthians 12:7-10** “And lest I should be exalted above measure by the abundance of the revelations, **a thorn in the flesh** was given to me, **a messenger of Satan** to buffet me, lest I be exalted above measure. Concerning this thing I pleaded with the Lord three times that it might depart from me. And He said to me, “My grace is sufficient for you, for My strength is made perfect in weakness.” Therefore most gladly I will rather boast in my infirmities, that the power of Christ may rest upon me. Therefore I take pleasure in infirmities, in reproaches, in needs, in persecutions, in distresses, for Christ’s sake. For when I am weak, then I am strong.”

**Numbers 33:55** “But if you do not drive out **the inhabitants of the land** from before you, then it shall be that those whom you let remain shall be irritants in your eyes and **thorns in your sides**, and they shall harass you in the land where you dwell.

**Joshua 23:13** “know for certain that the Yahuah your Elohim will no longer drive out **these nations** from before you. But they shall be snares and traps to you, and scourges on your sides and **thorns in your eyes**, until you perish from this good land which the Yahuah your Elohim has given you.

## Physical Healing

Healing is also available by natural remedies, medicine, a healthy diet and a healthy lifestyle. Medical doctors are trained to prescribe medicines to cure or eliminate the symptoms of disease. There are also an abundance of natural remedies that will also cure disease. Most diseases are caused by an unhealthy diet or lifestyle. Diseases can be healed by changing the diet. The Holy Spirit leads believers to adopt healthy lifestyles.

### Cure for Metabolic Syndrome

Most people who have an unhealthy diet become overweight and become diabetic due to excess sugar in their diet. This causes metabolic syndrome, which includes heart disease and high blood pressure. These make the body subject to many diseases, including cancer. These medical problems can be quickly eliminated by adopting a low carbohydrate diet, which causes weight loss.

Carbohydrates are converted into sugar to provide energy for the body. When sugar is metabolized, it produces oxidants that damage all the organs of the body. The oxidants are the cause of most diseases and aging. The body produces anti-oxidants to protect the body. Many vegetables and fruits are anti-oxidants as well as many vitamins and natural remedies. When people age, their body produces less anti-oxidants, requiring the diet to be modified to consume less carbohydrates and eat more vegetables and fruit.

When the diet contains very little carbohydrates, the body gets its energy from fat. The fat is converted into ketones, which are a much better source of energy for the body. Ketones do not produce oxidants when they are metabolized. Therefore less anti-oxidants are required to protect the body and the symptoms of aging are greatly reduced. The ketogenic diet is the healthiest diet for maintaining a low body weight and reducing aging and disease. A ketogenic diet requires most of the calories in the diet to be provided by fat. A book recommended for aging is:

[Ageless Face, Ageless Mind: Erase Wrinkles and Rejuvenate the Brain](#), Dr. Nicholas Perricone

### **Cure for Dementia**

Dementia and Alzheimer's is known to be caused by excess carbohydrates in the diet. It is now being called type three diabetes and grain brain. The brain becomes insensitive to insulin, which prevents sugar from providing energy to the brain. Consequently, the ketogenic diet is a cure for dementia. It is also known that coconut oil increases ketones in the blood. Dr Mary Newport cured her husband from advanced dementia in six months with two tablespoons of coconut oil per day. Here are books recommended for dementia:

Clearly Keto: For Healthy Brain Aging and Alzheimer's Prevention, Dr Mary Newport

Grain Brain, Dr. David Perlmutter

### **Cure for Cancer**

It is known that the immune system operates better when the blood acidity is low, or has a high pH. Carbohydrates and protein, cause the blood to become more acidic, which reduces the ability of the immune system to fight disease. Green vegetables and fruit cause the blood to become less acidic, allowing the immune system to fight disease. Cancer thrives in an acidic environment. So reducing carbohydrates and protein will help heal cancer.

### **Cure for Covid Symptoms and Vaccines**

No virus has been identified that causes Covid. The reason is that it is not caused by a virus. It is caused by lab grown snake venom spike proteins. These proteins are one of the largest pharmaceutical industries, which are used for many medicines including chemo therapy and treatment for high blood pressure. The vaccine is a bio-weapon developed by the UN to reduce the worlds population to prevent climate change.

The good news is that cures for snake venom are well known. Dr Bryan Ardis has developed a protocol of natural remedies to cure Covid symptoms and detox the body from the vaccine. Nicotine is the most important. To eliminate the symptoms of Covid, or the vaccine, take twice per day:

- 2mg nicotine gum or patch,                      - 50mg zinc,                                      - 125mcg D3,
- 2000mg vitamin C,                                      - 600mg NAC,                                      - 200mcg Selenium,
- 2 mg copper    - 5 mg melatonin

In addition, 1000 mg Glutathione, 500 mg Quercetin, 12 mg Ivermectin and salt tablets are also recommended. Quercetin causes the body to produce hydroxychloroquine, and NAC + Selenium produces glutathione. Ivermectin also protects the nicotine receptors on the cells.
